

## **Motion to Commit With Instructions**

\_\_\_\_\_ moves to commit the bill No.  
H.R. 4872 to the Committee on Finance with instructions to report the same back to the Senate within 3 days with an amendment that—

1           (1) ensure that the health reform legislation  
2           will not raise taxes “one penny” on American families making under \$250,000 annually;

4           (2) ensure that the health reform legislation  
5           will allow all Americans who like the health plan they have, to keep it;

7           (3) ensure that the health reform legislation is  
8           paid for by reducing waste, fraud, and abuse;

9           (4) ensure that the health reform legislation  
10          does not use taxpayer funds to pay for abortion;

11          (5) ensure that the health reform legislation  
12          will reduce costs to American taxpayers and businesses;

14          (6) ensure that the health reform legislation  
15          will protect Medicare benefits;

1           (7) ensure that the health reform legislation  
2           will ensure choice of physicians;

3           (8) ensure that the health reform legislation  
4           will include meaningful tort reform to get rid of junk  
5           medical liability lawsuits; and

6           (9) ensure that all further health reform legisla-  
7           tion negotiations will be televised to the public on C-  
8           SPAN. Such negotiations with respect to such legis-  
9           lation shall be held in a transparent fashion and  
10          shall include, but are not limited to, meetings be-  
11          tween Congressional and Administration staff mem-  
12          bers, Members of Congress and the President and  
13          other Executive Branch officials, lobbyists, and other  
14          representatives of the health care industry.
